23 July 1956

MEMORANDUM FOR: Executive Officer, Office of Training

SUBJECT : Survival Training for Certain Project AQUATONE Personnel  
25X1A6a

1. In connection with our continuing requirement for survival training of the type given at [REDACTED] earlier in the first week of May and the week of 11 - 15 June, we can now give you firm dates on the next group to be trained as well as identities.

25X1A6a

2. This group will report to [REDACTED] on Monday, 30 July, and will be continuously available there for training through Friday, 3 August. The necessary briefing prior to departure from Headquarters will be conducted by the Project Headquarters Case Officer, as was done with the last group. We suggest that no photographs be made of these individuals but rather that temporary badges be issued to them upon their arrival at [REDACTED] the Headquarters Case Officer who will accompany them will serve as their identification.

3. We would appreciate a phone call from you sometime this week confirming the departure time and offering any special instructions which may apply.

4. The identities to undergo training on the proposed date of 30 July are:

25X1A9a
